

# Code of Conduct

**COMPANY NAME** \_\_\_\_\_

**LEGAL ADDRESS** \_\_\_\_\_

**VAT NUMBER** \_\_\_\_\_

The person that signs this code of conduct commits itself or on behalf of the company it represents to comply strictly with the following obligations, accepting the consequences that might arise in case of negligence.

## Responsibilities

- A record that links the Electronic ID Device and the customer that purchased that Electronic Device must be kept at all times. By signing this document, your company authorizes FELIXCAN SL. to provide any entity that requires it, the fiscal data of the Company represented. In the event that the signer signed this document as a legal person entity, this legal person would have to accept the transfer of its personal data to the authorities or to the public official administrations in order to ensure the product traceability.
- The use of electronic identifiers in countries that have valid legislation in this regard must be done according to this valid legislation and meeting all the legal requirements.
- If these Electronic ID devices are to be used in countries where there was no existing official valid legislation, the undersigned shall keep a record of traceability of the Electronic ID from acquisition to implementation of the identifier in the animal.
- These Electronic ID Devices can only be used for Electronic Identification in Animals according to the ISO Norm 11784.
- These electronic ID Devices can only be implanted by skilled, certified implanters.
- The use of these Electronic ID Devices implies strictly fulfilling the hygienic-sanitary and legal rules that apply to the veterinary science.
- The expiration date of the syringe sterilization must be taken into account in the Electronic ID Devices distributed in order not to use one syringe whose sterilization has expired.

**And so that this may officially recorded,**
